CERAMIC NETWORK

Pôle Européen de la Céramique

IS BACK!

BtoB MEETINGS, EXHIBITION CONFERENCES & VISITS

25–27 MAY 2027
LIMOGES, FRANCE

Ceramic Network is organized by the “Pôle Européen de la Céramique” (the European Cluster of Ceramics).
Every 2 years, **attendees can exhibit as well as take part in BtoB meetings, thematic conferences and site visits.**

For the past 30 years, Ceramic Network has been bringing together professionals **from across the entire ceramic value chain.**

In 2027, Ceramic Network will take place from 25 to 27 May at the Zenith of Limoges.

WHY SHOULD YOU TAKE PART?

- **Expand your network**
- **Identify market trends**
- **Discover the latest innovations**
- **Connect with industry decision-makers**

You are a professional offering solutions in the field of ceramics, associated processes and surface treatments: BOOK YOUR BOOTH!*

You are looking for new suppliers, technologies, solutions or innovations: REGISTER FOR 1, 2 or 3 DAYS!*

2025

486 ATTENDEES
60 exhibitors
16% of international entities

850 BTOB MEETINGS

13 SITE VISITS
70 participants

NEW IN 2027: A FULL DAY DEDICATED TO THE EXHIBITION

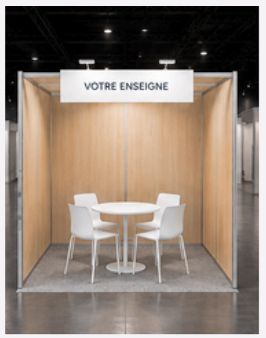

For the first time, Ceramic Network **will include a full exhibition day, dedicated for open visits of exhibitors with no pre-scheduled appointments**, giving you the opportunity to showcase your products, technologies and expertise directly and give live demonstrations. With different booth sizes available, you can choose the space that best suits your needs – whether you want to display equipment, samples, ceramic pieces or other products.

The 2027 edition will bring together:

- A full **exhibition day**
- **2 days of BtoB meetings**
- **Conferences** with experts
- **Visits** to discover local expertise in ceramics

**: registration is subject to approval*
